Informational Workshop Announced
Related to Proposed Timber Ridge Subdivision

ASHEBORO, NC – The city will host an informal informational workshop on Thursday, August 24th from 6:30 – 8:00 p.m. at the Asheboro Public Works building for the public to receive information and ask questions related to the proposed Timber Ridge subdivision planned to be built on E. Allred Street west of Northshore Drive. The Public Works building is located at 1312 N. Fayetteville Street.

City representatives from the Community Development Division, Engineering and Water Resources departments, and public safety departments will be on hand to speak individually with interested parties. Representatives from the North Carolina Department of Transportation are planning to attend. The property owner and owner representatives also have been invited to attend.

The purpose of the workshop is to share information on the proposed subdivision and development process and for the public to ask questions. No formal presentation will be made.

For more information, please contact Trevor L. Nuttall, Community Development Division Director, at 336-626-1201 ext. 223.
