City Water Bill Payment Changes

Due to recent banking changes, City of Asheboro utility bills must now be mailed to a new address for processing. Customers who pay their bill electronically through their bank account will need to edit the address in their bill-pay system to ensure that their payment is received. The new payment address is:
City of Asheboro
PO Box 538306
Atlanta, GA 30353-8306

Payments are still being processed at the Charlotte payment address, but after a few months they will no longer be handled there. Customers may also pay bills using the following options:

- Cash, check and money orders accepted at City Hall office
- Automated bank draft
- Credit card payments at www.officialpayments.com or 1-800-272-9829. (At the prompt, enter jurisdiction code 3957. A \$2.95 fee will be applied to credit card payments.)
