INQUIRIES:

Questions that arise shall be directed to Michael L. Leonard, PE, at the address previously listed, or by calling (336) 626-1201 ext. 228 no later than Wednesday, December 30, 2020. Questions and answers may be provided to others receiving this request.

INCURRING COSTS:

The City of Asheboro is not liable for any cost incurred by the Consultant in the preparation or presentation of a response to this request.

RIGHT TO AWARD OR REJECT:

It is understood that all submittals will become part of the public's file on this matter, without obligation to the City of Asheboro. The City of Asheboro reserves the right to reject any or all submittals.

SELECTION AND EVALUATION:

The City of Asheboro Engineering Department will evaluate the submittals received, will review all requests, evaluate required criteria, select a Consultant and enter into negotiations with the number one ranked firm, or select a short list for interviews, then complete the process.

Each of the criteria listed in this outline will be evaluated on how fully each submittal meets the requirements, and each will be ranked. Particular emphasis will be placed on the Consultant's past successful completion of similar projects shown by work summaries of the firm and individuals to do the work, and by references.

STATEMENT OF INTEREST AND QUALIFICATIONS:

Each submittal from a qualified Consultant received in response to this request will be judged as a demonstration of the Consultant's capabilities and qualifications. Only those Consultants who supply complete information as required by this request will be considered for evaluation. The factors used to determine this will be:

1. An understanding of the requirements of this request demonstrated by the organization, clarity, and completeness of the submittal.
2. The past performance record and qualifications of the firm and the individuals who will do the work, verifiable through references and resumes.
3. The ability of the Consultant to provide a timely response.

EVALUATION CRITERIA:

The Contract will be awarded only to a qualified consultant. Minimum standards for qualifications are:

1. Having the necessary experience, organization, technical and managerial staff, and the facilities to carry out this work. (30%)
2. Having an adequate past record of performance on similar projects, verifiable through references. (25%)
3. Having familiarity with the Asheboro Corridor of I-73/74 and surrounding area. (15%)
4. Having the financial and personnel resources for the performance of the Contract, or the ability to obtain such resources. (15%)
5. Being an Equal Opportunity Employer and being otherwise qualified by law to enter into a contract such as this. (5%)
6. The Consultant's proximity to the City of Asheboro. (5%)

7. The results of interviews, **IF** interviews are to be held. (5%)

SELECTION:

The final recommendation for selection will be made following the review and ranking of the submittals and interviews, should interviews be held. After selection of a Consultant, a contract will be prepared and submitted to the Asheboro City Council for review and approval.

CONTRACT REQUIREMENTS:

The successful Consultant will be required to complete a Service Contract, which will incorporate the submittal and work schedule as a part of the Contract. In addition, it will be necessary for the successful Consultant to be covered by Worker's Compensation insurance which will extend to the work done within the State of North Carolina.

Disadvantaged Business Enterprise (DBE) goals may be established for selected subcontracted tasks. The City of Asheboro may require a list of DBE's, their responsibilities and qualifications, and dollar value of their participation at the time specific projects are identified and the Contract is being negotiated.

The DBE firms must be able to be certified to the satisfaction of the North Carolina Department of Transportation.
